

Innovation

ETHICAL PRODUCTION

SUSTAINABLE MATERIALS

✓ All our factories undergo an annual audit to ensure **at least minimum wages have been paid and working conditions are safe** and up to regulations

✓ We ensure **all factories we use meet health and safety regulations**

✓ We ensure that **all our products are ethically sourced**

✓ We currently **produce over 30 lines in the UK** which reduces our carbon footprint

✓ **We do not factory hop.**
We build long lasting relationships with our factories

Innovation Sweatshirts, Sweatshirt Cardigans, V-Neck Sweatshirts and Jog Bottoms are now made using **40% recycled materials** ✓

We will continue to **reduce the use of plastic bags** on all our products ✓

We only use **recyclable polybags** ✓

All trousers are made using **100% recycled materials** ✓

All skirts* are made using **100% recycled materials** ✓
(*except box pleat skirts)

Our stretch and 2 button/flap pinafores are made using **100% recycled materials** ✓

All blazers are made using **100% recycled polyester** ✓
(from plastic bottles)
